3. **Entry cost at NAC.** It has been decided from the main board that in the budget, 50% of the cost should be covered by the entry fees. Also decided that max fee is 100 Euro. Therefore, this is the directives that will be given to the organizer each year.
4. **Reigning Large-champion. It was decided that** the reigning large champion will have a free-spot in Intermediate at Nordic Championship 2023 as his dog is measured under 48 cm.
5. **Foreign judges for NAC in Denmark 2024.** There is one national judge and one international at NAC. Bonnik will during coming week collect 5-6 proposals for the international judge. We will then ask which judge they would prefer. Latest week 8 we hope to have the international judge chosen – and hope that he/she is available.
