2023.02.15 (remote meeting)

## **Participants**

Thomas Thiesen, Norway, chairman, meeting minutes

Bonnik Berthelsen, Denmark

Anders Virtanen, Finland

Thomas Juréhn, Sweden

## **Opening the meeting**

The chairman opened the meeting at 08:00 CET

## **Background**

As agreed in the Teams-meeting February 8<sup>th</sup>, 2023, The Danish Kennel Club would come back with several names to vote on for the spot as the international judge at the NAC 2024.

The Danish Kennel Club also asked if the NAC 2024 could be postponed for one week, to the 17<sup>th</sup> and 18<sup>th</sup> of August, as the original date would collide with The British Kennel Clubs international agility festival. This competition will start the week after EO in England and it is therefore expected that many of the Nordic national members will stay to compete at the agility festival and therefore be unable to attend the NAC.

## **Results**

The judges provided by The Danish Kennel Club were: Jesus Fernandez Crespo, Neil Ellis, Lisa Frick, Hugo Santos and Daniel Walz.
